Skip to my lou my darling

Go to the market two by two
In dad's old hat and
mom's old shoes
Back from the market
what did I do
Skip to my lou my darling

I'm so pretty - Skip to my lou
I'm so pretty - Skip to my lou
I'm so pretty - Skip to my lou
Skip to my lou my darling

Father Goose - Skip to my lou
Mother Goose - Skip to my lou
Baby goose - Skip to my lou
Skip to my lou my darling
Hand in the air - Skip to my lou
Hands on your head - Skip to my lou
Hands on your hip - Skip skip
Skip to my lou my darling

Jump - Skip to my lou
Wobble - Skip to my lou
Fly - Skip to my lou
Skip to my lou my darling

Had soya milk one in two
Had my vegetables and my stew
Feeling good now what do I do
Skip to my lou my darling

Mom made the bed now what did you do
Jumped on top in your dirty shoes
Oh no!
Skip to my lou my darling

Bluebird bluebird through y window
Bluebird bluebird through my window
Bluebird bluebird through my window
Buy molasses candy
