

DAN ZANES AND FRIENDS SONGBAG

THE GOODNIGHT WALTZ

C F G C
We spent a spring day dancing
C D G
Old and new friends came around
C F G C
Laughing and singing together
 F G C
'til the fields were filled with the sound

C F G C
After the dance was over
C D G
After the sun had gone
C F G C
We made a ring in the moonlight
 F G C
And we all did the goodnight waltz
 F G C
Yes we all did the goodnight waltz

D G F
To the left and to the right
C G
Bring the circle together
D G F
Hug your friends and say goodnight
C G
Try to always remember
 F G C
That the circle could go on forever
 F G C
as long as we're in it together
 F G C
as long as we're dancing together
