DAN ZANES AND FRIENDS SONGBAG

WALTZING MATILDA

C G Am F
Once a jolly swagman camped by the billabong,
C G
Under the shade of a coolibah tree,
C G Am F
And he sang as he sat and waited by the billabong
C G C
Who' ll come a waltzing Matilda with me

(chorus)
C F
Waltzing Matilda, waltzing Matilda
C G
Who' ll come a waltzing Matilda with me
C G Am F
And he sang as he sat and waited by the billabong
C G C
Who' ll come a waltzing Matilda with me.

Along comes a jambuck to drink up at the waterhole
Up jumped the swagman and grabbed him with glee
And he said as he put the jumbuck in his tuckerbag
You' ll come a waltzing Matilda with me

Along comes a squatter, riding on a thoroughbred,
Up steps the troopers, one, two, three.
Where's the jolly jumbuck you've got in your tuckerbag?
You' ll come a waltzing Matilda with me

Well the swagman he up and jumped into the waterhole
Downing himself by the coolibah tree
And his ghost may be heard as it sings in the billabong
Who' ll come a waltzing Matilda with me.
